beautiful bathrooms

design inspiration

Our Nuance surfacing range opens up a whole new dimension in bathroom decoration. Using our expertise in surface materials, we have married design and product innovation to give you unparalleled freedom to create superb interiors.

Nuance is unique in offering an extensive palette of contemporary solid surfacing and leading-edge laminates which are available in wall panelling, worksurfaces and splashbacks. Beautifully decorative and impeccably stylish, the range has been especially developed to offer the widest possible choice for traditional and contemporary tastes. So whatever your personal style, there is a way to express it with Nuance.

Solid surfacing, with its beautiful smoothness and simplicity, is guaranteed to add designer luxury. This wonderfully versatile material is a byword for elegance. And in our laminates you will find the very best in design and surface technology. From romantic florals to calming neutrals and luxurious classics to bright jewel colours, Nuance is a treasure trove of design inspiration.

You can also be assured of Nuance's long lasting performance as all products are precision manufactured from the finest quality materials and carry a 15 year guarantee. And thanks to our craftsmanship approach, the components have been especially developed to ensure easy installation and even easier maintenance.

With Nuance you can shape your perfect bathroom space. Indulge. Relax. Enjoy.

pure luxury

Luxury expresses itself in many ways. Here the aesthetic is one of pure simplicity and there is little to beat the honest appeal of white. Solid surfacing enhances the luxuriousness of the interior and is versatile for use in the bathing area, shower enclosure and vanity worksurface uniting the interior with a contemporary elegance. The smooth, virtually seamless material not only guarantees designer style, but also long lasting performance and easy maintenance.

with feature alcove.

material mix

above: **Bone Cloud solid surface wall panel and Ebony Oak worksurface.**

left: **Bone Cloud solid surface wall panelling.**

It's easy to create your very own spa-style interior at home. Our palette of materials, designs and colours are perfect for combining together to create stylish looks with contrasting surface textures. All of which are superbly practical and easy to care for. Why not use solid surfacing to panel out the shower area for you to luxuriate in? Then add some warmth and contrast with a rich woodgrain worksurface for the vanity area. Lovely.

absolutely waterproof

Our laminate panels are constructed from a patented core board that is certified as 100% waterproof and is exclusive to Nuance. Which means that you can be confident you are buying the best that money can buy. And splash around as much as you like!

Aqua Bubble wall panel, Arctic Gloss wall panel and Glacier white solid surface worksurface with deep downstand.

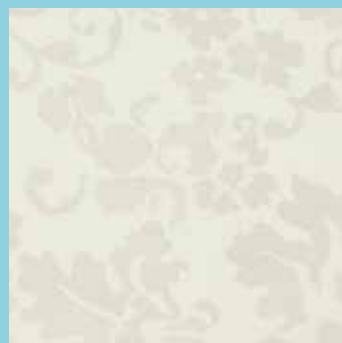

sensuous stone

Few can resist the allure of polished granite. Our Quartz designs recreate the magic of stone with realistic high print definition and metallic particles captured in lustrous high gloss finish. Choose from a palette of white, black, cinder brown, cream and concrete. The perfect way to give your bathroom an upscale look, without the expense or ongoing maintenance of the real thing.

Large format Cinder Quartz wall panels with radiused edges achieve a luxurious, seamless finish.

timelessly traditional

In our range you will find classic plain colours and patterns, especially selected to deliver beautiful, timeless design. The plain heritage colours give you a choice of stone, duck egg blue, deep red and green and we have taken our inspiration from flocked wallpaper to develop a unique selection of stunning patterns printed in durable laminate. Choose from country-house classics with our Damask designs in pearl or slate.

Damask Pearl

Damask Slate

Damask Slate wall panelling with radiused edges gives a neat finish around the chimney breast. Vanity area features Bone Cloud solid surface worksurface and upstand with Damask Slate front panel.

Bone Cloud solid surface wall panel and
Ebony Oak worksurface.

easy maintenance

Nuance bathroom surfacing couldn't be easier to keep clean. A simple wipe with a damp cloth and a gentle cleaner is all that it takes. There are no grout lines like tiles to worry about and the specially designed tongue and groove panels jointed with our bespoke adhesive means there are no dirt traps. So you can lie back and relax in that beautiful bathroom of yours.

left: **Waves Sable wall panel** with a radiused edge gives a neat finishing detail by removing the need for extrusions.

right: **Wave Sable tongue and groove wall panelling.** Vanity area created using **Concrete Quartz** worksurface with **Stone** front panel and bright polished external extrusions.

tough and beautiful

From baby's bathtime to teenagers hogging the shower, the bathroom is one of the busiest rooms in the home. You can be sure that each and every product in the Nuance range can cope with the daily wear and tear. We use only premium materials for our decorative surfacing and as an alternative to the tongue and groove system, fine extrusions can be used for jointing panels together. Which means you can have total confidence in their long-lasting quality.

Wall panelling in Blanc Bubble
and Emerald.

attractively affordable

Consider the advantages of Nuance for your next bathroom.

The choice of designs and materials allows you to create beautiful interiors shaped around your personal style. Add to that quick and easy installation. Plus, the confidence of easy maintenance and long-lasting quality. And then you will realise how Nuance can be an attractive and affordable part of your home.

Marble Noir wall and bath panelling. Black Sparkle solid surface vanity unit with deep downstand and upstand.

dash of drama

Or why not add a design flourish to your bathroom with a bold pattern?

The fabulous Rococo design is based on a sweeping floral pattern which is enhanced by a relief texture in frosted gloss. Run your fingers across it to appreciate just how gorgeous it really is. And we guarantee you its just as easy to care for. Available in black, white, fuchsia pink or stone, you can choose the look you want to create.

Don't forget that Nuance is not just for a bathroom or an ensuite. You can add a dash of drama to a downstairs cloakroom too. Why not add a feature panel behind the sink?

Dramatic. Romantic. Classic.

Feature panels with two radiused edges provide a simple and stunning decorative solution. Rococo designs in Blush, Blanc, Noir and Stone.

made to last

Quality

Manufacturing with the finest materials is what gives Bushboard Nuance bathroom products their signature quality. While beautiful and stylish to look at, they are also constructed to cope with the wear and tear of everyday living.

Nuance waterproof panels

The laminate collection has undergone extensive testing over 12 months. Its unique construction features a high performance core exclusive to Nuance, It's completely waterproof with high thermal properties and resistant to mould and mildew. Panels come in 3 sizes, 2 of which feature radius formed edges, removing the need for finishing extrusions for many layouts, keeping designs simple, clean and hygienic.

Encore solid surface panels feature a thicker than average 5mm surface layer that delivers premium performance and surface appearance. It is 5 times more impact resistant than most solid surface products, so can cope with the busiest of bathrooms. It can also be installed with virtually seamless joints using encore specialist adhesives.

Nuance worksurfaces

Nuance worksurfaces are independently tested to BS/EN438. Bushboard select E1 grade high-density particleboard for strength and stability. The homogenous construction generates excellent machining capability for sink cut-outs and mitre joints.

The laminate worksurfaces feature a Polyrey high-pressure laminate surface and a resin impregnated moisture resistant barrier on the reverse, which is combined with Bushboard's unique 'Tekseal' cast resin to completely seal the underside against moisture penetration from everyday spills.

Encore solid surface worktops feature a thicker than average 5mm surface layer that delivers premium performance and surface appearance. It is 5 times more impact resistant than most solid surface products, so can cope with the busiest of bathrooms. A significant advantage is that any scratches, should they occur during its lifetime, can be polished out by a professional to renew your worksurface back to its original condition.

Waves Sable wall panelling and Concrete Quartz worksurface.

15 year Guarantee

Nuance products are guaranteed for 15 years. Bushboard will make good by repair and/or replacement (at its discretion) any Nuance product of its manufacture which can be shown to have failed by reason of defects in its manufacture, subject to fair wear and tear, provided the product has been installed and used in accordance with the manufacturer's instructions and that the products are used for their intended purpose/application. Proof of date and place of purchase required. This guarantee is in addition to your statutory rights as a consumer and does not affect your rights in any way.

Installation & Finishing

BB Complete is a bespoke range of colour-matched adhesives for the installation and finishing of your chosen Nuance product design. BB Complete is specially designed to replace silicon which may break down over time and cause moisture ingress. BB Complete offers superb performance characteristics and enables your installer to bond, joint and seal your Nuance work surface and wall panels, giving you a long-

lasting, professional finish. It is an integral part of the warranty to install Nuance using BB Complete.

Encore solid surface panels will require specialist encore adhesive where a virtually seamless solution is required. This is not a DIY product so please consult a specialist installer. Call us if you need help in locating one.

Care & Maintenance

Nuance work surfaces and panels are so easy to maintain. On a day to day basis, all you need to do is wipe them down with a moist cloth and your favourite mild detergent. For more stubborn marks leave the detergent to soak on the surface for a little while before rinsing thoroughly. Do not use abrasive cleaners and bleaches.

Full details can be found in our Care & Maintenance leaflet. One of these is included with every Nuance product purchased but if you need a copy please call our Customer Service Team or log onto our website.

shape your perfect bathroom

Nuance is much, much more than a shower panel. The extensive range of cleverly-developed components and fine extrusions give you the freedom to create your perfect design and layout including vanity areas, feature walls, shelving and alcoves for all those bathroom bits and bobs.

Nuance is available from a nationwide network of retailers who have the specialist design and installation skills to create a bathroom which is guaranteed to give you long-lasting satisfaction.
